

Special Needs School Survey 2009-2010

This chart includes Delaware Valley schools that serve students with special needs, as well as selected residential schools outside the area. Parents can use the **Special Needs Served** column and key in the top right corner of this page to identify which special needs each school addresses.

The initials **NP** indicate a school did not provide information in the corresponding category. **N/A** indicates the school believes the category is not applicable to its program. The

legend at the bottom explains other symbols and initials.

The Footnotes column includes religious affiliation and languages taught, with the grade or age at which language instruction begins, as well as noting when the school offers an extended day program in the morning (am) or afternoon (pm).

Tuition rates noted with an asterisk (*) are 2008-2009 figures for state-approved schools as provided by the Pennsylvania Department of Education.

Special Needs Served

ASP: Asperger syndrome
AUT: Autism
CP: Cerebral palsy
EMO: Emotional or behavioral disorder
HI: Hearing impaired
LD: Learning disability
MD: Muscular dystrophy
MR: Mental retardation
NI: Neurological impairment
PDD: Pervasive development disorder
SED: Serious emotional disturbance
VI: Visual impairment
